1. Purpose

Assessment helps teachers understand what pupils know and can do, plan the next steps, and report accurately to parents. Assessment in an online school must also be secure and fair. This policy sets out the types of assessment we use, how results are recorded and reported, and how we protect the integrity of assessment.

2. Principles

- Assessment serves learning: most assessment is formative and happens in every lesson.
- Assessment is purposeful and proportionate: we do not assess for its own sake or overload teachers or pupils.
- Assessment is fair: access arrangements are made for pupils with SEND.
- Assessment is secure: the right controls are used for the stakes involved.

3. Types of Assessment

Type	What it looks like online	When
Entry (baseline)	Age-appropriate baseline check for primary pupils; CAT4 or equivalent for secondary pupils; Qur'an and Arabic placement	On admission
Formative	Questioning, polls, mini-whiteboards, quizzes in Forms, cold-calling, exit tickets, live feedback	Every lesson
Summative (in-school)	End-of-unit tests and termly assessments, set in Forms or Teams Assignments	End of units and each term
Standardised	GL Assessment standardised tests (for example CAT4 and Progress Test Series), shared with the Tarbiyyah family of schools	Annually
External	GCSE / International GCSE examinations sat at an approved centre	End of Key Stage 4

4. Security of Assessments

The level of security is matched to how much the assessment matters, as set out in the Academic Integrity and Secure Assessment Policy:

Level	Controls
Practice	Any browser; shuffled questions; time limit
Secure	Safe Exam Browser, time window, one attempt, live invigilation on Teams with cameras on
External	Sat in person at an approved examination centre

5. Recording and Tracking

Results are recorded in Teams Grades and the Academy tracking system. Each pupil's attainment is compared with their starting point and age-related expectations. Senior leaders review progress each term and agree interventions for pupils who are not on track.

6. Reporting to Parents

Report	Timing
Settling-in report	After the first half term (end of the probationary period)
Termly progress report	Each term, uploaded to the Parent Portal
Parent–teacher consultations	At least twice a year, booked through the Parent Portal
Annual report	End of the academic year

7. Moderation

Subject teams moderate a sample of marked assessments each term to ensure consistent standards. Where possible, the Academy moderates with colleagues in the Tarbiyyah family of schools.

8. Access Arrangements

Pupils with SEND, medical conditions or English as an additional language may receive access arrangements such as extra time, rest breaks, a reader, or adapted formats, based on evidence and their normal way of working. Arrangements are recorded and used consistently.

9. Monitoring and Review

This policy is reviewed annually by the Deputy Headteacher.
